Aspire Basic

The full version of Aspire. For a detailed description, see [Aspire Basic](#).

- **Aspire Basic** is a paid version that contains all of the same connectors as the Enterprise version. Users of Aspire Basic are restricted (via licensing) to systems that contain less than 1 million documents.

Aspire Enterprise

The full version of Aspire. For a detailed description, see [Aspire Enterprise](#).

- **Aspire Enterprise** is a paid version of Aspire that has all the same connectors as the Basic version, but can scale for extremely large amounts of content (unlimited number of documents).

Aspire Premium

Some connectors are sold separately and are not part of Aspire 3.2 Basic or Enterprise bundles. For a detailed description, see [Aspire Premium](#).

Note

As of Aspire 3.2, Aspire Community is no longer supported.
