## **How to Access Aspire**

All Aspire users must register in order to download the software.

 $Registration \ is \ quick \ and \ easy, \ and \ can \ be \ done \ writing \ and \ email \ to \ CAGAspireSupport@accenture.com\ .$ 

- Registration simply requires you to establish a login and password. Once registration is complete, you can download Aspire if you have
- purchased a subscription.

  Registration gives you access to pre-built binaries and to the Aspire Maven repository where you can download dozens of useful Aspire
